

CROMWELL PETANQUE LEAGUE RULES 2025

The Cromwell Petanque League (CPL) operates using the 2021 FIPJF “Official International Rules of the Game of Petanque” (GOP) as adopted by Petanque England (PE). The rules can be found on the Petanque England website. PE rules should be followed except where specifically amended by a CPL rule as agreed at the league AGM’s: -

Entering The League.

Any team wishing to enter the League for the season must submit their entry to the League Committee by February 28th. The AGM of the league will follow in the middle of March, the league due to start in April.

By entering the League, all teams must comply with the League rules and processes and must complete all their scheduled fixtures by the specified end date. The end date will be one week after the last scheduled week of league fixtures

League fees are agreed at the start of each season and paid to “the Cromwell Petanque League” at the AGM or as soon as possible after by Bank Transfer (**Sort code for the CPL bank is 23-05-80 Account No. 44616807**) or Cash Payment to the Treasurer. It is noted that the Bank Account must receive 10 deposits a season to remain active. The 2025 figure is £15 per team

Condition Of The Terrain

All terrains in the CPL may have their pitches marked with lines, best practice being that all pitches should have lines rather than hard borders to enable boules to be called as dead/out of bounds where they have fully crossed any side or end lines.

If players wish to fill all holes caused during the game this should be agreed between players before play commences.

Player Registration

Once a player has played for a team then they cannot move teams in that season. In the case of a pub closure then players may join other teams mid-season.

Captains

Each team will supply the CPL secretary with the names, contact numbers and email of the Captain and Vice-Captain for the season. The fixture secretary will not enter into discussions about league issues with any other persons than Captain or Vice-Captain and each team should advise immediately of any changes. All correspondence will be done via the “Captains Chat WhatsApp Group” to show transparency and to allow the Committee to ensure quick progress and resolution on any issues

League Format.

Matches will be home and away and consist of 9 doubles games, played as 3 groups of 3 games, a doubles pairing can only be used once in each match.

Matches will start at 745pm. Every team must make every effort to begin play at 745pm. Either Captain has the right to invoke the rules for commencement where fewer than 6 players are ready to play. Late arrivals will not be allowed to join that group of games once it has started.

If a team has less than 6 they will be allowed to forfeit one leg. If both teams are short then unplayed games are void. If a team can only field 3 players then the match must be cancelled and penalties applied.
